

SECOND ANNOUNCEMENT

Dear Colleague,

We announce the second Radio Astronomy Forum (RAF2017) will be convened as scheduled during September 24-27, 2017. This forum is organized jointly by the National Astronomical Observatories of Chinese Academy of Sciences and the Qiannan Government of Buyi and Miao Ethnic Autonomous Prefecture, Guizhou Province. The conference hotel and venue is located in Hanglong, Xingchen Tianyuan Grand Hotel, Kedu Town, Pingtang County, Guizhou, China (贵州省平塘县克度镇·航龙·星辰天缘大酒店).

Due to a distance of about 150 km between the airport and the hotel, we would like to draw your attention to your travel. Please book air flights to be arrived in Guiyang Longdongbao International Airport (KWE, 贵阳龙洞堡国际机场) during the suggested time 10:00—19:00 on Sept.24, the check-in day. Recommended departure time of air flights leaving Guiyang airport is after 17:00 on Sept. 27 and in the morning of Sept.28. To help the LOC organizes the long-distance transportation between the airport/train station and the conference hotel, and vice versa, could you please update your arrival and departure flights and dates on the registration data table or simply email LOC when appropriate..

Conference fee is suggested to be pre-paid through our bank accounts provided on the forum web. Note: Chinese scholars 2000RMB, students 1000RMB, foreign guests 280USD. On-site payment is available for cash, Chinese UnionPay cards (银联卡) and international Visa/Master cards.

The detailed meeting schedule will be available on web soon. For those whose talk title and abstract are still missing, please update, otherwise SOC will not reserve a time. For poster contributions, a suggested poster size is 900 mm x 1200 mm.

For any questions about flights and accommodations, please feel free to inquire LOC. Kindly remind that an umbrella might be useful because of the humid weather in Guizhou. You may check the weather forecast at: <https://weather.com/weather/tenday/1/CHGZ1123:1:CH>

We look forward to seeing you in Hanglong for the coming conference.

LOC

On behalf of the RAF2017
